

Timetable 17th SIAMOC Congress (ver. 13/09/2016)

| | Wednesday 5/10/2016 | Thursday 6/10/2016 | Friday 7/10/2016 | Saturday 8/10/2016 |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------|
| 08:00 | Participant registration to pre-congress courses | Participant registration | | |
| 08:15 | | | | |
| 08:30 | | | | |
| 08:45 | | | | |
| 09:00 | | | | |
| 09:15 | Precongress course 1: Gait Analysis in patients with spasticity: clinical decision making and outcome assessment Precongress course 2: Clinical movement analysis by means of inertial and magnetic sensors Precongress course 3 (in collaboration with GIS Neuroscience AIFI): Movement analysis and rehabilitation: quantitative measurement of outcome | Session 1 - Sensori-motor control | Session 9 - Neurophysiology and movement | |
| 09:30 | | | Coffee break | Coffee break |
| 09:45 | | Session 6 - Orthotics and prosthetics | | |
| 10:00 | | | Coffee break | SIAMOC awards and closing session |
| 10:15 | | Session 2 - Biomechanical models and quantitative indexes | | |
| 10:30 | | | Lunch | ECM questionnaire |
| 10:45 | | Lunch | | |
| 11:00 | | | Efficacy of Gait Analysis in Clinical Decision Making and Outcomes (T. Wren) | Session 7 - Poster (methodological) |
| 11:15 | | Participant registration | | |
| 11:30 | | | Coffee break | Coffee break |
| 11:45 | Session 4 - Movement analysis in neurology | Session 8 - Innovative technologies for rehabilitation | | |
| 12:00 | | | Opening ceremony & welcome address | User group meeting BTS |
| 12:15 | Opening lecture: Modular organization of the motor system and muscle synergies (E. Bizzi) | SIAMOC-SINC study group "Movement Neurophysiology" | | |
| 12:30 | | | Movement, music and rehabilitation: "The gesture that sounds and resounds " | |
| 12:45 | Welcome cocktail | | | |
| 13:00 | | | | |
| 13:15 | | | | |
| 13:30 | | | | |
| 13:45 | | | | |
| 14:00 | | | | |
| 14:15 | | | | |
| 14:30 | | | | |
| 14:45 | | | | |
| 15:00 | | | | |
| 15:15 | | | | |
| 15:30 | | | | |
| 15:45 | | | | |
| 16:00 | | | | |
| 16:15 | | | | |
| 16:30 | | | | |
| 16:45 | | | | |
| 17:00 | | | | |
| 17:15 | | | | |
| 17:30 | | | | |
| 17:45 | | | | |
| 18:00 | | | | |
| 18:15 | | | | |
| 18:30 | | | | |
| 18:45 | | | | |
| 19:00 | | | | |
| 19:15 | | | | |
| 19:30 | | | | |
| 19:45 | | | | |
| 20:00 | | | | |
| 20:15 | | | | |
| 20:30 | | | | |
| 20:45 | | Social dinner | | |
